

A CAREER IN ANAESTHESIA

4 October 2017 – RCoA, London
16 October 2017 – Park Plaza Leeds
£45

The Royal College of Anaesthetists is holding informal sessions for Foundation Year Trainees who are considering a career in anaesthesia. The day is not intended to provide personal career guidance, but instead focus on the general aspects of the specialty.

The day will provide an insight into life as a trainee and consultant anaesthetist.

Sessions include:

- life as an anaesthetic trainee
- assessment and supervision of training
- recruitment and application process
- pre-hospital emergency medicine
- intensive care medicine
- question and answer group sessions
- the future in the specialty, skills required
- and life as a consultant.
