2017 ST3 T&O Desirable Criteria:

"A practical course devoted entirely to orthopaedic casting techniques aimed at orthopaedic trainees"

[www.orthoplaster.co.uk](http://www.orthoplaster.co.uk)

## Kingston Hospital, Surrey, KT2 7QB

A hands-on one day intensive course designed to teach basic principles of non-operative management of common orthopaedic conditions and specifically application of common plaster casts. Satisfactory completion of the course will result in a certificate of competency in basic plaster application.

The course is aimed at all healthcare professionals with an interest in applying plaster casts but will be of particular use for foundation and core trainees in orthopaedics and emergency medicine.

\*The course will be hands-on and we wouldn't want to ruin any of your nice clothes so please wear appropriate clothing. A spare pair of flip flops or easily removable shoes is essential and we would advise T-shirt and shorts or scrubs

Places are strictly limited. **Early bird rate** (book before May 1st): **£139**; Full rate: **£149** (Price includes breakfast, refreshments, lunch and all materials). **Alternative course dates and venues available.**

Please visit [www.orthoplaster.co.uk](http://www.orthoplaster.co.uk) or email [ortho.plaster@gmail.com](mailto:ortho.plaster@gmail.com) to apply.

**VENUE:** Education Centre, Kingston Hospital, Kingston-Upon Thames, KT2 7QB
