LaSE Foundation Information Bulletin

Welcome to the second (London & South East) LaSE Foundation fortnightly bulletin. This newsletter is brought to you by the newly formed Foundation Teams and an amalgamation of the four London Foundation Schools; South Thames, North Central, North West and North East.

This new style bulletin, split into three sections, will be published every 2 weeks and will contain information for Foundation Doctors and Foundation Faculty and a section dedicated to conferences/training, which you may find useful. A copy is always also saved on the South Thames [website](#) until we have launched our new all schools website.

Following the HEE Integration between KSS and London, the new admin team structure will now be cross working with colleagues. The team structure has been updated under "[Who's Who in LaSE](#)"

The STFS Brighton office is closing on **29 September**. Please direct all enquiries to the following foundation team email addresses:

F1.LASE@hee.nhs.uk – All F1 Trainee related enquiries
